

## Château Heritage Cuvée Saint Elie 2014

**Elements:** Château Heritage, Saint Elie 2014 is a Cabernet - Sauvignon.

**Harvest:** Totally manual harvest with only the exceptional years and optimal quality grapes used.

**General Information:** The summer of 2014 was the last harvest that our father Elias Tanios Touma participated in, before he passed away in January 2015. As an homage to the founder of this company, a beloved and respected father and a great man, and to commemorate the last harvest we celebrated together, we are releasing this special wine bottle called "cuvée saint Elie". Saint Elie is the patron saint of our father, our family and our winery and this wine is intended as a celebration of our father's passion for life.

Nothing we could ever do could repay a tiny fraction of everything you have done for us and all the love you have giving us. Everything we are we owe it to you. Thank you dad, we love you and miss you. Cheers. Dargham, Wissam, Houssam.

**Bottling:** When the wine was deemed ready, it was bottled at the château. High Quality Natural Corks were used in the 44mm format on 750ml bottles.

**Alcoholic strength:** 14%; Total **Acidity:** 3.44g/l H<sub>2</sub>SO<sub>4</sub>; **Residual Sugar:** 1.2g/l

**Tasting Notes :** Brilliant ruby color. Splendid nose of coffee and chocolate grilled and toasted, vanilla and cassis. Explosive mouth of red and black fruits, with remarkable and elegant tannins. Exceptional finish. As our father used to say "this is a manly wine".
